

Environmental Policy

Jual Branded Clothing & Promotions Limited is a family owned business based in the King Alfred Business Centre, Somerset. We consider ourselves one of the UK's most creative and innovative suppliers of in-house branding, incorporating embroidery and transfer printing of work wear, corporate wear, PPE, uniform and merchandising to customer design.

We are committed to continual improvement of our Environmental Management System, as part of our Integrated Management System, in accordance with the requirements of ISO14001:2015 and our company scope. Consideration of our environmental aspects are taken into account when producing our Company's aims and objectives.

We are committed to the protection of the environment through:

- Complying with our identified compliance obligations
- Conducting regular management reviews of our environmental performance, including reviewing our objectives and targets which contribute to achieving continual improvement
- Ensuring openness of our environmental activities with all interested parties including employees, customers, suppliers and regulators
- Providing environmental training, and encouraging our employees to contribute to our improving our environmental performance
- Minimising waste through reuse and recycling, sending waste to landfill as a last resort, and ensuring safe disposal when no viable alternative is available
- Minimising energy usage by involving all members of staff in energy conservation initiatives
- Preventing pollution through training and awareness

This policy is communicated both internally and externally.
