

MODERN SLAVERY AND HUMAN TRAFFICKING POLICY

Jual Branded Clothing & Promotions Ltd. Is committed to driving out acts of modern day slavery and human trafficking within its business and that from within its supply chains, including sub-contractors and partners.

The Company acknowledges responsibility to the Modern Slavery Act 2015 and will ensure transparency within the company and with suppliers of goods and services to the company. These as well as the suppliers of services make up the supply chain within Jual Branded Clothing & Promotions Ltd.

As part of the companies due diligence processes into slavery and human trafficking the supplier approval process will incorporate a review of the controls undertaken by the supplier. Imported goods from sources from outside the UK and EU are potentially more at risk for slavery/human trafficking issues. The level of management control required for the sources will be continually monitored.

The company will not support or deal with any business knowingly involved in slavery or human trafficking.

The company directors and senior management shall take responsibility for implementing this policy statement and its objectives and shall provide adequate resources (training etc.) and investment to ensure that slavery and human trafficking is not taking place within the organisation and within its supply chains.

This policy takes into account, and supports, the policies, procedures and requirements documented in our Management System, compliant with the requirements of ISO 9001 and ISO 14001. The implementation and operation of this Management System underlines our commitment to this policy. Procedures have been put in place to ensure that this policy is understood and communicated to all levels of the company, and it is regularly reviewed by the Directors to ensure its continuing suitability and relevance to the company activities.
